

# DAVISVILLE

The Davisville collection features a beautiful, neutral color palette with accents of blue, grey, green and burgundy for a fun, stylish addition to any living space. Exquisite hand carved-details and dynamic tones add depth and texture to a variety of designs, including geometric, abstract, and classic patterns, providing the perfect piece for a wide range of customer groups. Each rug is machine made using state-of-the-art, computer-driven looms, and the soft, luxurious pile of polypropylene yarns provides high-end design without sacrificing comfort or durability.
